Title:	Odisha: Dengue panic grips in Kendrapara Village			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Kendrapara, SSU-Odisha			

Fear of contracting dengue fever has gripped in Balakati village under Aul block in Odisha's Kendrapara district. As many as 10 persons of the village were diagnosed with dengue yesterday. They have been admitted at the SCB Medical College and Hospital in Cuttack for their treatment.

Besides, several inhabitants of the village including women and children have complained of headache and fever. Meanwhile, a medical team from Kendrapara District Headquarter Hospital and Aul Hospital reached the village to examine the health condition of the villagers.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
