Title:	At least 25 students fell sick in Bankura, West Bengal			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Bankura, SSU- West Bengal			

Lizard found in the food of the Anganwadi center! It is reported that at least 25 children are sick after eating that food. The incident created a commotion in Hindpur of Bankura. It is known that there is an Aparpara Anganwadi center in Hindpur Aparpara area. Several students come there regularly. Khichuri was cooked for them on Friday. Allegedly, there is a dead lizard in that khichuri.

After eating which at least 25 students fell ill one by one. They were quickly admitted to Bankura Sammilani Medical College. 5 admitted to local health center. A lot of excitement has spread around this incident. However, no response has been received from the Anganwadi Center in this regard. Hindpur BDO Somen Das said that the matter is being looked into.
