Title:	Residential school girls fell ill after food poisoning, 13 hospitalised in Nandyal, Andhra Pradesh			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Nandyal, SSU- Andhra Pradesh			

Fifty students of the hostel were taken to the hospital on Thursday night after complaining of vomiting and loose motions after eating a mixture snack made of puffed rice, 37 discharged

Thirteen of the 50 students of Nerawada Residential Government School in Panyam Mandal, Nandyal district are under treatment at the Government hospital here and their health is said to be stable.

All the students were taken to the hospital on Thursday night after complaining of vomiting and loose motions after eating a mixture snack made of puffed rice.

District Collector Manazir Jeelani Samoon visited the hospital on Friday and talked to the girls admitted there. He directed the doctors to provide the best possible treatment and enquired about their health condition. The doctors told the Collector that all of them were out of danger and recovering fast.
