Title:	31 kids taken ill after taking deworming tablets in district Jhajjar, Haryana			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Jhajjar, SSU-Haryana			

In all, 31 students of three schools were taken ill after consuming albendazole tablets in Bahadurgarh town on Thursday. They were admitted to a trauma centre after they complained of abdomen pain, vomiting and headache.

The children were kept under observation for some hours and discharged after treatment.

Sources said the children were students of Navyug School, Green Valley School and Government Primary School. They started complaining of vomiting and uneasiness after consuming the deworming tablets.
