Title:	24 yr old woman in Rishikesh a Suspect, Uttarakhand			
Action By CSU, IDSP -NCDC	Information communicated to SSU-Uttarakhand			

A China-returned student was on Monday admitted to AIIMS, Rishikesh for showing symptoms of coronavirus infection.

The 24-year-old woman was doing internship from the University of Traditional Medicine, Nonchang state in China, hospital PRO Harish Thapliyal said.

She was kept at the isolation ward of the hospital after she complained of a sore throat, dry cough and headache, he said.

Her blood samples have been sent to the National Institute of Virology in Pune, the official said.

This is the second suspected case of coronavirus reported from the state. The other suspected patient has tested negative for the infection, Thapliyal said.
