Title:	Boy dies due to H1N1 in Malappuram, Kerala			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Malappuram, SSU- Kerala			

It has been confirmed that a 13-year-old student died of H1N1 in Malappuram's Kuttipuram.

Gokul was admitted to the hospital on 19th of this month due to severe fever. Then the child died within 24 hours. Health experts thought it might be one of these, as rabies and dengue fever were prevalent in the district. After the postmortem report came, it became clear that the cause of death was H1N1. This is the first H1N1 death to be reported in Malappuram district.
