Alert ID	Publication Date	Reporting Date	Place Name	News Source/Publication Language
5595	26.10.2019	29.10.2019	Golaghat Assam	www.sentinelassam.com/English https://www.sentinelassam.com/north-east-india-news/assam-news/outbreak-of-diarrhoea-like-diseases-at-golaghat-district/
Title:	Outbreak of Diarrhoea-like Diseases at Golaghat District, Assam			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Golaghat, SSU-Assam			

Diarrhoea has taken serious form in different places of Ghiladhari *mouza* of Golaghat district. Meanwhile, more than one hundred people out of 38 families of areas concerned have come under the attack.

According to a report, the families of Chakardhora, Puronimelia and Bamungaon have been affected by the Diarrhoea-like situation. Among the victims, major numbers are elderly people, said the study. The district Health department sent the medical groups to the areas for treatment. In a separate talk with the health officers, village headmen, panchayat members and some officials of social bodies of the area informed that the consumption of *Salani* fish has resulted in the diseases.
