Title:	30 students health deteriorated due to food poisoning in Surendranagar, Gujarat			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Surendra nagar, SSU- Gujarat			

An incident of food poisoning has come to light in Surendranagar. 30 students have been affected simultaneously. About 30 female students' health deteriorated in this incident which took place after dinner. About 30 students suddenly started vomiting and diarrhoea, and have been shifted to a private hospital for treatment. After taking a meal of milk and potato vegetables, the health deteriorated. All of them were rushed to the hospital after suddenly having diarrhea and vomiting one after the other. Currently, all the students are being treated at the hospital. However, it is known that the condition of no one is serious.

According to the details received, about 30 female students living in Darbar Boarding at Surendranagar complained of stomach pain, vomiting, diarrhea, but seeing the seriousness of the situation, all of them were immediately admitted to the hospital. Last night, after having a meal of milk and potato vegetables, suddenly became ill. As soon as this incident came to know, the leaders of the society also started running, on the other hand, as so many students were admitted to the hospital at the same time, there was a rush in the hospital as well.
