Title:	20 children suffer food poisoning in Dahod district, Gujarat			
Action By CSU, IDSP -NCDC	Information communicated to DSU – Dahod, SSU- Gujarat			

About 20 children studying in an 'ashram shala' in Agaswani village of Dhanpur taluka of Dahod district fell ill after consuming dinner. The principal, who had consumed the same food, also took ill.

The residential school, where students from classes 1 to 5 stay, were served dinner that included vegetable curry on the night of Friday. Staffers of the school called the 108 emergency services for help and the children were taken to a primary health centre. They complained of stomachache and vomiting.

After primary treatment, they were taken to the Zydus Hospital in Dahod. Two children were then referred to Ahmedabad for further treatment as they had severe symptoms.

Officials of the Dahod district health department rushed to the school and collected samples of the food served to the children.
