Title:	19 cows found dead at Panchkula district, Haryana cowshed			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Panchkula, SSU-Haryana			

Eleven bull, two cows and six calves were found dead under mysterious circumstances at Shree Krishna Gaushala in Saketri on Sunday. Food positioning is stated to be the reason behind the deaths of the cattle. The post-mortem reports are awaited. The animal husbandry department is looking into the matter.

On Saturday night, cows at the gaushala were found to be in pain. The gaushala authority then called veterinary doctors, but to no avail. On Sunday morning, 19 of them were found dead.

The matter reached the animal husbandry department and the local cops also rushed to the spot. Officials of the animal husbandry department stated that during the preliminary investigation, it was found that the cattle died due to food poisoning. Bajra was served to all of them, which will be tested in the laboratory.

The department of animal husbandry comes under the deputy commissioner (DC) and inquiry in the matter has been initiated.
