Action By CSU, IDSP -NCDC	Information communicated to DSU-Odisha, SSU- Kendrapara			

More than 50 people, including women and children, were taken ill after consuming food offered as 'prasad' in Odisha's Kendrapara district, officials said on Monday.

All of them had the 'prasad' at a temple in Pinchapatia village under Krushnadaspur gram panchayat on Sunday night.

They complained of nausea, severe lower abdomen pain and high fever after consuming 'bhog' (flattened rice), yoghurt and banana, officials said.

Some of the sick persons have been hospitalised, a senior official said, adding, all of them are out of danger and recovering.

"It is case of food poisoning. The 'bhog' is suspected to have been prepared with contaminated yoghurt," he said.
