Media Scanning & Verification Cell

Media alert from the Media Scanning & Verification Cell, IDSP-NCDC.

Alert ID	Publication Date	Reporting Date	Place Name	News Source/Publication Language
5088	30.12.2018	31.12.2018	Raipur Chhattisgarh	www.thehitavada.com/English http://thehitavada.com/Encyc/2018/12/30/Jaundice-outbreak--Medical-camp-held-at-Sahupara.aspx
Title:	Dozen cases of jaundice reported in Raipur, Chhattisgarh			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Raipur, SSU-Chhattisgarh			

Alarmed by a dozen cases of jaundice, Raipur Municipal Corporation (RMC) setup a medical camp and collected blood samples at the Sahupara area of Fafadih on Saturday. As many as 12 positive cases of Jaundice were discovered at Sahupara just a day ago after the complaints regarding contaminated water supply reported from the locality. RMC Zone-2 Health Department was put on high alert as the Water Department officials searched and repaired the leakages found in the water supply line on the same day. RMC Commissioner Rajat Bansal also took stock of the situation in the night. On Saturday, Medical Camp examined 85 people for the jaundice. Blood samples of the 17 patients were collected for pathological tests. A team of Epidemic Cell Director Dr R R Sahani, Deputy Director Pambhoi, Chief Medical and Health Officer Dr Shandilya along with RMC Health Officer Dr B K Mishra also scoped out the area.

The medical team reached out to every home and distributed chlorine tablets. These medical experts also suggested people the precautionary measures to prevent the disease. This team was comprised of City Programme Manager Swatantra
