<b>Title:</b>	<b>Seven Rajkot Municipal Corporation employees down with jaundice in district Rajkot, Gujarat</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Rajkot, SSU-Gujarat			

The Rajkot Municipal Corporation (RMC) has swung in to action after at least seven of its employees in the Central Zone office fell ill due to jaundice in the last two weeks.

The civic body on Tuesday took water samples from central zone office and the main office and sent them for laboratory testing.

"About seven employees from various departments of the RMC's central zone office have reported that they are suffering from jaundice. They have complained that it could be because of drinking water contamination at the office. We do not want to take chances or come to any conclusion before the water sample test report have arrived," said municipal commissioner Vijay Nehra.

"We have checked various water points and cleanliness in the office after the cases were reported," he added.

Save a tree. Don't print unless it's really necessary!
