<b>Title:</b>	<b>Tripura: 16 school children fell ill after Japanese Encephalitis (JE) vaccine</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU- <b>South Tripura</b> , SSU-Tripura			

At least 16 school children felt ill after they were administered Japanese Encephalitis (JE) vaccine this morning at a school in South Tripura, which triggered panic button among the parents.

The parents alleged that due to the negligent of the authority the children were pushed double dose of vaccine. With the aim to fight the deadly disease and to save the human life from the threat of the disease the state government undertaken JE vaccination program from January 9 last. This has been continued till January 22 next in – Unokoti, Gomati, Dhalai and South districts.

A total of around 11 lakh children aged between 1 to 15 years would be vaccinated in four vulnerable districts. Even the schools from the children PHCs, CHCs and Anganwadi centers will also be vaccinated. Officials of school education department and health department have been enquiring the matter.

💧 Save Water- Save Life, 🌳 Save a tree- Don't print unless it's really necessary!
