Title:	80 ill after drinking milk of cows bitten by rabid dogs in district Aurangabad, Maharashtra			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Aurangabad, SSU- Maharashtra			

As many as 80 persons in Aurangabad district took ill after consuming milk of cows bitten by rabies-infected dog, said an officer.

"The incident came to light on Saturday evening when many people complained of vomiting and nausea. They are being treated and none of them is serious," Vishwambhar Gawande, Resident District Collector of Aurangabad, told PTI on Sunday.

"We have found two cows whose milk was consumed by people who fell sick later. Officers from the health and animal husbandry department found that these cows were bitten by dogs with rabies. The cows are being treated," he said.
