<b>Title:</b>	<b>17 students fell ill due to suspected food poisoning in district Dharwad, Karnataka</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Dharwad, SSU-Karnataka			

As many as 17 students of government primary school in Shishvinalli village of Navalgund taluk were admitted to a hospital on Monday after they complained of stomach pain.

Deputy Director of Public Instruction Gangappa said that four girls complained of pain in the stomach initially and were taken to a doctor. Later, more students came with similar complaints and they too were rushed to the doctors and provided treatment. Doctors ruled out possibilities of food poisoning and said that the children must have developed pain after they ate something from outside or at home. There were no possibilities of any problem in the midday meal as the meal was served to 260 students and only a few complained of pain, Mr. Gangappa added.
