<b>Title:</b>	<b>30 students fell ill after consuming contaminated food in district Kurnool, Andhra Pradesh</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Kurnool, SSU-Andhra Pradesh			

As many as 30 students of Deen Dayal Upadhyaya-Grameen Kaushalya Yojana (DDU-GKY) fell ill after consuming contaminated food served at a hostel situated in Madhava Nagar. The students were immediately rushed to Government General Hospital on Thursday and are being treated after being admitted as in-patients. Out of 30 students, three students are in serious condition.

The DDU-GKY is a centrally sponsored scheme wherein the rural students were admitted and given training in various trades. To strengthen the livelihood of the rural students (boys and girls), the central government has launched the programme. The students are provided with hostel facility free of cost and the expenses would be borne by the central government. After completion of training, they would be placed in telecom sector, call centres etc. The training centre has been facilitated with a hostel to cook and serve food to the students. As usual the hostel organisers served food to the students on Thursday. Within 30 minutes, thirty students have developed vomiting and loose motions. They were immediately rushed to Kurnool General Hospital for treatment.
