<b>Title:</b>	<b>24 children fell ill after eating ice-cream in district Reasi, Jammu &amp; Kashmir</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Reasi, SSU- Jammu & Kashmir			

Twenty-four children fell ill on Tuesday after eating ice-cream in Reasi, officials said. Around a dozen were admitted to the district hospital after their condition worsened while others were discharged after initial treatment. The incident took place in the Gran Morh area of Reasi, said district food safety official Madan Mohan Mangorta.

The police said the children complained of stomach pains and started vomiting after eating ice-cream.

They were taken to a district hospital in Reasi and discharged after initial treatment, except about six of them who were admitted for treatment after their condition deteriorated, Mangotra said. "It is a clear case of food poisoning," he said.
