Media Scanning & Verification Cell

Media alert from the Media Scanning & Verification Cell, IDSP-NCDC.

Alert ID	Publication Date	Reporting Date	Place Name	News Source/Publication Language
4632	11.05.2018	14.05.2018	Mohali Punjab	www.tribuneindia.com/English http://www.tribuneindia.com/news/chandigarh/after-mr-vaccination-3-children-taken-ill/587601.html
Title:	After MR vaccination, 3 children taken ill in district Mohali, Punjab			
Action By CSU, IDSP -NCDC	Information communicated to DSU-Mohali, SSU- Punjab			

Two students of St Soldier School and one from Manav Mangal were rushed to the community health centre, Dhakoli, as they reportedly suffered from side effects after being administered the measles-rubella (MR) vaccine in Zirakpur here on Thursday.

According to sources, the children, who were vaccinated on Thursday morning, suffered from vomiting, headache and anxiety. They were sent back home after being given medical care. Meanwhile, the vaccination drive went on smoothly in schools after the incident.

"It appears to be a case of phobia. The MR vaccine has no side effect. The children may have fallen sick due to the fear of injection," said a doctor.

Sarabjit Kaur (10), a Class V student of St Soldier School, Zirakpur, was brought to the CHC, Dhakoli, after she complained of vomiting and a transient vasovagal attack. It has been learnt that another girl complained of dizziness after the vaccine was administered to her.
